

FRIENDS FUNDS

The CAF America Friends Fund is an exciting, cost-effective alternative for foreign charitable organizations seeking to improve their support from US donors. Not only does the Fund save organizations' money, it also eliminates the time and trouble of establishing and administering a public charity in the United States. With a Friends Fund at CAF America, foreign organizations can launch and maintain a US fundraising appeal and solicit tax-deductible donations of any size from US donors.

Any foreign charitable organization that is eligible with CAF America is welcome to open a Friends Fund. Upon establishing a Fund, charitable organizations are establishing a relationship with CAF America's experienced staff.
