1	ABS - CBN Lingkod Kapamilya Foundation, Inc.	typhoon victims	Other	Other	Philippines	Non-Financial: Fundraising or Revenue Strategy		7 Jan 2019	ABS-CBN Lingkod Kapamilya – Operation Sagip conducted relief efforts in Oriental Mindoro, Camarines Sur, Albay and Sorsogon as response to the needs of the families affected by the recent Typhoon Usman.
2	Access to Information (a2i) Programme, Prime Minister's Office, Bangladesh Bureau of Statistics (BBS) and the General Economics Division (GED) of the Planning Commission	SDG tracking	All Causes	All Beneficiaries	Bangladesh	Non-Financial: Information Technology		17 Jan 2019	The Access to Information (A2I) programme under the Prime Minister's Office (PMO) developed and launched 'SDG tracker' to closely monitor the overall execution of the sustainable development goal and make the best use of the related data to ensure efficient distribution of country's limited resources. The main objective of SDG tracker is to create an online data centre to help formulate proper policy for sustainable development and ensure an evidence-based approach to distribution of resources.
3	Australian Department of Foreign Affairs and Trade (DFAT)	disaster and risk management	Other	Other	Indonesia	Financial: Equity	18,000,000	10 Jan 2019	The Australia – Indonesia Partnership in Disaster Risk Management (AIP-DRM) is a five year, \$25 million investment and will be delivered from 2019 – 2024, with the option of a two year extension. The goal of the investment is to strengthen Indonesia's management of disaster risk and engagement between Australia and Indonesia. The investment has both a domestic focus on improving Indonesia's ability to prevent, prepare for, respond to and recover from rapid and slow onset disasters in Indonesia; and a regional focus to strengthen cooperation between Australia and Indonesia on regional humanitarian issues.
4	BNP Paribas, Standard Chartered	retail investors in Hong Kong and Singapore	Financial Services	Other	Hong Kong, Singapore	Non-Financial: Others		19 Dec 2018	The World Bank (International Bank for Reconstruction and Development, IBRD, Aaa/AAA) has priced new bonds that offer retail investors in Hong Kong and Singapore the opportunity to promote the Sustainable Development Goals (SDGs). Returns on the bond are linked to an equity index that tracks the performance of companies advancing global development priorities set out in the SDGs, including climate, gender, and health. This marks the first time that the World Bank has offered SDG index-linked bonds to retail investors in Asia. The bonds are arranged by BNP Paribas as part of the "SDGs Everyone" initiative. Standard Chartered is the sole distributor of the bonds.
5	CARE International	tsunami victims	Water, Sanitation and Hygiene	Other	Indonesia	Non-Financial: Others		27 Dec 2018	CARE International has distributed 200 hygiene kits containing sarong, toothbrushes, soap, detergent, sanitary pads and buckets for people living in affected villages and displacement camps following the most recent tsunami in the Sunda Strait, Indonesia.
6	CARE International, IBM, Government of Bihar	women and children at Bihar	Health	Women and Girls	India	Non-Financial: Others		21 Dec 2018	CARE teamed up with IBM to create a data-driven campaign that would help the people of Bihar, India — particularly its mothers and children — live healthier, more productive lives. Using a rapid prototyping approach, the IBM and CARE teams built a proof-of-concept platform to integrate the two data systems and use data visualization to help enable decision-makers to more accurately forecast drug consumption and adjust procurement accordingly, thus decreasing stockouts, waste, and out of pocket costs for patients.
7	Child Rights and You (CRY), Centre for Budget and Governance Accountability (CBGA)	schools in Uttar Pradesh, Bihar, West Bengal, Chhattisgarh, Maharashtra and Tamil Nadu	Education	Children and Youths	India	Non-Financial: Impact Measurement		27 Dec 2018	The CBGA-CRY study named 'Budgeting for School Education: What has Changed and What Has Not' has been carried out in six states (Uttar Pradesh, Bihar, West Bengal, Chhattisgarh, Maharashtra and Tamil Nadu) by studying the detailed demands for grants of state budgets for 2014-15 to 2017-18. The study analyses the school education budgets for six states, bringing to fore the fact that even though the states have increased funding for school education in the 14th FC (Finance Commission) period, they have not fully utilised their budgets to change the composition of their school education spending.
