

Toniic is a global action community for impact investing. Toniic members are united in the intention to change the global financial system and are investing their resources to achieve that.

**Toniic's Mission:** To catalyze deeper net positive impact across the spectrum of capital.

**Toniic's Vision:** A world in which all investments honor the planet and its inhabitants.

## TONIIC AVPN MEMBERSHIP

Toniic and AVPN have established a partnership that provides eligible AVPN members connections to Toniic's global community of impact investors. The Toniic AVPN Membership will support accredited Asia-based investors in their impact journeys by bridging the gap between global and local impact investing markets.

Toniic AVPN Membership benefits include:

### Global Community

Members will receive annual invitations to two regional events, and one Toniic At Large event in North America or Europe. Based on interest, members will also have the opportunity to attend a regional impact investing field trip.

### Investments & Portfolio Analysis

Members gain access to a Deal Room of regional private-equity investment opportunities with access to presentations by investees in Asia. They will also receive Toniic's impact management consulting services at Toniic-member rates.

### Education

Members will have the opportunity to attend all of Toniic's webinars and access to Toniic's online archive of best practice presentations, and meetings. Members will also receive a curated Toniic AVPN members-only newsletter.
