

## About Deal Share Platform

The Deal Share Platform (DSP) is an AVPN members-only portal that showcases recommended Social Purpose Organisations\* (SPO). The DSP is a tool that increases the flow of financial, intellectual and human capital towards greater social impact in the sector. It streamlines collaboration and communication about the past, present and future funding opportunities.

Please complete all the sections and reach out to [dealshare@avpn.asia](mailto:dealshare@avpn.asia) if you have any questions.

\* Social purpose organisations include but are not limited to non-profit organisations (NPOs), non-governmental organisations (NGOs), charities and social enterprises (SEs) that interact directly with beneficiaries and whose primary objective is to deliver social impact.

**Note:**

- For new submissions, fields with \* (asterisk) are compulsory.
- For listed deals, please fill up the segments where the changes apply.

### A. Organisation Overview

**Name of SPO \***

**Is your organisation a non-profit or a for-profit entity?\***

- Non-profit
- For-profit
- Hybrid (Both)

**Does your organisation have a sustainable revenue model / Has your organisation generated revenue?\***

- Yes
- No

**Organization description \***

*(Maximum 120 words)*

**Headquarter City \***

**Headquarter Country \***

**Year of Establishment \***

**Website \***

**Legal Entity \***

Please indicate the countries where your organization is registered in, and the types of legal registration.

Country of Registration	Legal Entity of Registration

## **B. Project Overview**

**Name of Project \***

Project name should be different from the organisational name. (Maximum 7 words)

**Short Description of the Project \***

What is the aim of the project, how is it achieved, where is the impact area and who is the primary beneficiary? For sample, click <http://bit.ly/2yCK4JX>. (Maximum 30 words)

**Project Website \***

Links to the project page directly instead of the organization's landing page.

**Country of Operation (Impact Areas) \***

Please separate each country by comma if there is more than one impact area e.g. Malaysia, Thailand.

**Social Causes \***

You may choose more than one option (recommend to keep to 3). However, we will drop those that are not consistent with the project information.

- Ageing
- Agriculture
- Arts and Culture
- Education
- Employability
- Energy

- Climate Action and Environment
- Financial Inclusion
- Governance
- Gender
- Health
- Affordable Housing
- Conservation
- Livelihood and poverty alleviation
- Water and sanitation and hygiene
- Nutrition
- Other(s) *Please Specify*

*Answer only if Social Cause: Climate Action and Environment chosen.*

**Climate Action and Environment – Please specify the climate aim of your project.**

Does the project aim to:

- Mitigate** the climate crisis
  - How does the project curb the climate crisis?
    - By reducing emissions
    - By sequestering carbon
- Help people **adapt** to the climate crisis
- Both

*Answer only if Social Cause: Gender chosen.*

**Gender – Please specify how your project is supporting the gender cause.**

*You may choose more than one option.*

- Founded / Co-founded by Women
- Gender Equity in Workplace
- Access to Capital for Women
- Capacity Building for Women Empowerment
- Products & Services that Affect Women

**Problem**

**What is the Problem the project is seeking to address? \***

*(Maximum 200 words)*

**Target**

*Answer only if Social Cause: Climate Action and Environment chosen.*

**Main target group of this project – Which of these groups' current practice will your project aim to influence?**

- Industries

- Farmers /Fishers
- Businesses
- Government
- Consumers
- Financial Sector (investors, ESG funds, banks etc.)

*Answer only if Social Cause: Climate Action and Environment chosen.*

**Indicate whether or not the current practice of the target group above contributes to the production of greenhouse gases (GHG), and how so.**

*(Maximum 50 words)*

## **Solutions**

**What are the Solutions? \***

*(Maximum 200 words)*

*If Climate Action and Environment was chosen, please clearly describe how your solution utilises the above measure to satisfies either of the following; (i) reduce emissions, (ii) sequester carbon, and/or (iii) cope with the consequences of the climate crisis.*

**Does your project solution use technology in addressing the problem?**

*If it does, please explain why.*

- Yes
- No

*Answer only if Social Cause: Climate Action and Environment chosen.*

**Please indicate the type of mitigation measure the project uses.**

*You may choose more than one option (you are recommended to keep to 3). However, we will drop those that are not consistent with the project information.*

- Alternate Energy Generation & Access**
  - Biofuels
  - Biomass Energy
  - Clean Cook Stove
  - Geothermal
  - Increasing Efficiency of Appliances
  - Increasing Efficiency of Industries
  - Increasing Efficiency of Vehicles
  - Methane Digesters
  - Solar
  - Tidal
  - Waste Heat
  - Wind
- Building Cities, Industries, Appliances**
  - Improved insulation / thermal performance of buildings
  - Net zero buildings
  - Green roof gardens
  - Green building façades

- Alternative bricks / building materials
- Carbon negative concrete /cement
- Low Carbon concrete /cement
- Carbon Dioxide Removal**
  - Carbon Capture and Storage
  - Enhanced Weathering
  - Direct Air or CO2 Capture from Atmosphere
  - Ocean Fertilisation
- Finance**
  - Divesting from fossil fuels
  - Investing in renewables
  - Investing in climate solutions
- Forests & Agriculture & Land Use**
  - Regenerative farming (soil carbon sequestration)
  - Managed grazing
  - Improved rice cultivation
  - Biochar
  - Composting
  - Restoration of Terrestrial Habitats
  - Restoration of Riparian, Coastal and Marine Habitats
  - Afforestation
  - Seaweed / Algae Cultivation
- Government Policy**
  - Carbon tax
  - Cutting subsidies for fossil fuels
  - Policies to phase out fossil fuels
  - Setting and enforcing emissions budgets for industries
  - Setting new energy efficiency / emissions standards
  - Policies to remove barriers to and encourage the use of clean energy/technologies
  - Reducing emissions within governments
  - Requiring disclosure by corporations of their carbon emissions and efforts to reduce emissions
- Lifestyle Changes**
  - Reducing meat consumption
  - Reducing air travel
  - Driving less
  - Adopting family planning
  - Reducing food waste
  - Reducing energy consumption
  - Switching to renewable energy
  - Adopting a simpler lifestyle
- Transport**
  - Increasing Efficiency of Vehicles
  - Encouraging the Use of Cycles

- Electrification of Vehicles
- Encouraging the Use of Shared Transport

*Answer only if Social Cause: Climate Action and Environment chosen.*

**Please indicate the type of adaptation measure the project uses.**

- Livelihoods of People and Communities
- Infrastructure and Built Environment
- Health, Food and Water Security
- Ecosystems and Ecosystem Services
- Waste Management

*Answer this section only if Social Cause: Climate Action and Environment chosen.*

**Impact on the Climate**

*How much impact does your project have on the climate?*

**Type of GHG avoided /sequestered?**

- CO2 (Carbon Dioxide)
- Methane
- Nitrous Oxide
- HFCs (Hydrofluorocarbons)

**Please briefly state how the GHG avoided/sequestered is measured.**

*(Maximum 100 words)*

**Amount of CO2e (Carbon Dioxide equivalent) avoided / sequestered?**

*(e.g. /hectare/year, /year)*

**Has any life cycle analysis been conducted to take into account the direct and indirect GHG emissions during the manufacture, processing, transport, usage and disposal of the product/technology involved?**

- Yes
- No

**What are the capabilities that the project is building?**

*You may choose more than one option*

- Climate Risk Reduction
- Policy and Administrative Management for Climate Change
- Education, Training, and Awareness on Climate Change
- Climate Scenarios and Impact Research
- Coordination on Climate Change Measures and Activities Across Relevant Actors

**Beneficiary \***

*You may choose more than one option (recommend to keep to 3). However, we will drop those that are not consistent with the project information.*

- Children and youths

- Elderly
- Ethnic minorities
- Immigrants and asylum seekers and refugees
- Offenders and re-offenders
- People in poverty
- People with disabilities
- People with medical needs
- People without employment
- Women and girls
- Other(s) *Please Specify*

**SDGs Dashboard \***

*You may choose more than one option (recommend to keep to 3). However, we will drop those that are not consistent with the project information.*

- 1 No Poverty
- 2 Zero Hunger
- 3 Good Health and Well-Being
- 4 Quality Education
- 5 Gender Equality
- 6 Clean Water and Sanitation
- 7 Affordable and Clean Energy
- 8 Decent Work and Economic Growth
- 9 Industry, Innovation and Infrastructure
- 10 Reduced Inequalities
- 11 Sustainable Cities and Communities
- 12 Responsible Consumption and Production
- 13 Climate Action
- 14 Life Below Water
- 15 Life on Land
- 16 Peace, Justice and Strong Institutions
- 17 Partnerships for the Goals

**Video**

*Include a link to the video of the project*

**Presentation Slides**

*Upload your slides to SlideShare (<https://www.slideshare.net/upload>) and add the link here.*

### C. Capital Requested

This section will capture both financial and non-financial requests.

#### Financial Support: Type of investment \*

*You may choose more than one type of investment.*

- Grant
- Equity
- Debt
- N/A

#### Amount (USD) \*

#### Use of Proceeds \*

*What activities are you using the funds for? (Maximum 150 words)*

#### Previous funding received (in USD)

*Please list the most recent five funding only. For internal purposes only.*

Giver	Financing Type	Amount	Year(s)

#### Non-Financial Support \*

*Please prioritize top three needs.*

- Access to Networks
- Coaching and Mentoring of Management
- Financial Management and/or Accounting
- Fundraising and/or Revenue Strategy
- Human Resources

- Impact Measurement
- Information Technology
- Legal Support (*Note: If you need legal support, please select Yes or No on the blue text below if you want to be connected with TrustLaw.*)
- Marketing and Communication
- Operational Management
- Staff Training
- Strategy Consulting
- Use of Facilities
- Other(s) *Please specify*
- N/A

**Tell us more on each non-financial support required.**

Please list a specific project or resource that you require from the above selected non-financial support e.g. 'Human Resources: Development of on-boarding program for new employees' or 'Information Technology: Development of apps', etc. Please be as specific as possible as this will increase your chances at being matched with a funder that understands your needs.

*(Maximum 40 words per non-financial support)*

**Would you like to be connected with our member TrustLaw for your legal needs?**

TrustLaw connects SPOs working to create social and environmental change with the law firms and corporate legal teams to provide them with free legal assistance.

- Yes
- No

**If you had indicated “Yes” to the previous question, please answer the following questions a to h for review by Trust Law. TrustLaw will process these information for membership based on their [vetting criteria](#). Do note that with upon submission of this application, there will be a processing time of up to 1 month for Trust Law's review of application**

- a. What is the address of your organization?\*
- b. What impact has your organisation already achieved, and what quantitative measures do you use to gauge your progress?\*
- c. If you are a for-profit entity, how do you use your profits? What percentage of your profits are reinvested to support your social mission or a social cause (instead of paying shareholders)? Please indicate N/A if you are a not for profit organization.\*
- d. How will your organisation be financially sustained in the next 12 months?\*
- e. Does your organisation operate independently of government?\* (Y/N)
- f. Does your work include the spreading of religion?\* (Y/N)

g. Does your work discriminate on the basis of religion, sex, sexual orientation, national origin, colour or race?\* (Y/N)

h. Do you have an independent board of directors?\* (Y/N)

By checking this box, I comply to the following: \* (Y/N)

\* I will notify TrustLaw if I become aware of any changes to the information provided in this application.

\* I will supply any lawyer I engage with through TrustLaw all materials needed to complete the work within the agreed-upon time frames.

\* I have read and accept the TrustLaw [Terms and Conditions](#).

\*I consent to sharing my Deal Share submission form and information to Trust Law.

### **Main Partners/Collaborators**

*For internal purposes only. (Maximum 40 words)*

### **Deadline \***

*Deal page will be removed after this date.*

## **D. Contact Information**

**Name and designation of SPO contact \***

**Email of SPO contact \***

**SPO Contact Number\***

*Please enter your country code for the phone number in brackets. For example, for a Singaporean number please enter (+65) 8888 8888*

**Name of AVPN member organisation \***

**Name and designation of AVPN member endorsing \***

**Email of AVPN member endorsing \***

**Images \***

*Accepted file types: jpg, jpeg, gif, png. Maximum file size limit per image is 3MB.*

1. Hi-resolution image of the SPO's logo
2. Three (3) images with caption of the projects/activities
3. SPO contact person's photo and a short bio (in paragraph form, maximum 200 words).  
For sample profile, please refer to <http://bit.ly/2ws7MaT>
4. Scanned copy of your organization's registration documents for confirmation.

Please send the above images to [dealshare@avpn.asia](mailto:dealshare@avpn.asia).

**Thank you!**
