February 2020									
1	Asian Development Bank (ADB)	developing countries in Asia and the Pacific	Health	People with medical needs	Asia Pacific	Financial: Grants	2,000,000	26 Feb 2020	The Asian Development Bank (ADB) has approved a further \$2 million to help developing countries in Asia and the Pacific contain the outbreak of the novel coronavirus (COVID-19) and improve resilience to this and other communicable diseases. The funds will be available for all ADB developing member countries in updating and implementing their pandemic response plans, including buying emergency supplies and equipment; assessing health system and economic impacts to improve future resilience; and coordinating better regionally to prevent, detect, and respond to animal and human disease outbreaks. The work will be conducted in close collaboration with the World Health Organization.
2	Asian Development Bank (ADB)	Jointown Pharmaceutical Group (Jointown)	Health	People with medical needs	China	Financial: Debt	18,600,000	26 Feb 2020	The Asian Development Bank (ADB) will grant a loan of 130 million yuan (about 18.6 million U.S. dollars) to a Chinese pharmaceutical firm to help contain the novel coronavirus outbreak. The company, the Jointown Pharmaceutical Group (Jointown), is headquartered in Wuhan, the capital city of China's Hubei Province and center of the epidemic outbreak. It was designated by the provincial government as one of the companies to procure and distribute drugs and medical supplies during the epidemic. The two-year loan will support Jointown's efforts to ensure a continued supply of essential medicines and personal protective equipment such as protective clothing, gloves, goggles, masks and respirators.
3	Asian Development Bank (ADB)	The Lankan Angel Network (LAN)	Gender	Women and girls	Sri Lanka	Financial: Grants	300,000	26 Feb 2020	The Lankan Angel Network (LAN) has signed a landmark grant agreement with the Ford Foundation to catalyze the growth of Sri Lanka's startup ecosystem. The grant of US\$ 300,000 is the first of its kind for the Ford Foundation in Sri Lanka and will be utilized to reach entrepreneurs across multiple sectors island wide. Through LAN, the grant will support the I AM HER programme which empowers female entrepreneurs and develops the landscape for women-led startups in Sri Lanka, launch an Angel Fund to support early-stage startups and support Sri Lanka's largest annual venture competition, Venture Engine, which has a mission to empower entrepreneurs.
4	CapitaLand	China government	Health	People with medical needs	China	Financial: Grants	2,000,000	26 Feb 2020	Singapore companies in China have donated to support coronavirus relief efforts, with property conglomerate CapitaLand leading the way with a 10 million yuan (\$2 million) healthcare fund set up for the cause. Over 40,000 surgical masks, 500 barrels of disinfectant, 375,000 pairs of medical gloves, 50 medical ventilators and two negative pressure ambulances have been dispatched to six hospitals in Wuhan.
5	Community Foundation of Singapore (CFS)	front-line healthcare workers and vulnerable communities affected by the coronavirus	Health	All Beneficiaries	Singapore	Non-Financial: Fundraising or Revenue Strategy		29 Feb 2020	The Sayang Sayang Fund, a charity fund to support front-line healthcare workers and vulnerable communities affected by the coronavirus, was started by the Community Foundation of Singapore (CFS) and it aims to raise \$500,000.
6	Ford Foundation	The Lankan Angel Network (LAN)	Livelihood and Poverty Alleviation	Other	Sri Lanka	Financial: Grants	300,000	25 Feb 2020	The Lankan Angel Network (LAN) signed a landmark grant agreement with the Ford Foundation to catalyze the growth of Sri Lanka's startup ecosystem. The grant will focus on growing skills, entrepreneurship and reaching more people operating at the grassroots level. To achieve these goals, LAN will collaborate with key, long-term ecosystem partners working across the island.
7	Hyundai Motor	Korea Disaster Relief Association (KRDA)	Health	People with medical needs	South Korea	Financial: Grants	4,100,000	26 Feb 2020	Hyundai Motor Group will donate five billion won (USD4.1 million) to Korea Disaster Relief Association (KRDA) for medical equipment, cash relief, and masks due to coronavirus outbreak. Hyundai and KRDA are providing protection services, especially in Daegu and Gyeongbuk regions.

8	IBM	China government	Health	People with medical needs	China	Non-Financial: Information Technology		26 Feb 2020	Multinational technology company IBM steps in to assist in accelerating research and development to find treatment to COVID-19 by leveraging the IBM Clinical Development (ICD). IBM is providing the ICD system free of charge to eligible applicable novel coronavirus-related clinical trials in China. In this way, all the needed data essential for the research are easily accessible. The company is also providing commercially reasonable technology, again free of charge, to support database construction and basic training for the use of ICD.
9	Japan International Cooperation Agency (JICA)	Government of Vietnam	Water, Sanitation and Hygiene	All Beneficiaries	Vietnam	Financial: Grants	80,961	21 Feb 2020	Japan International Cooperation Agency (JICA) signed a grant agreement with the Government of the Socialist Republic of Vietnam in Ho Chi Minh City to provide grant aid of up to 1,882 billion yen for the Project for Trenchless Sewerage Pipe Rehabilitation in Ho Chi Minh City. This project will contribute to preventing road cave-ins and improving public health by rehabilitating aging drainage and sewer pipes in Ho Chi Minh City and will contribute to Sustainable Development Goals (SDGs) Goal 6.
10	Japan International Cooperation Agency (JICA)	Pakistan's Regional Reference Laboratory (RRL) for Polio	Health	People with medical needs	Pakistan	Financial: Grants	3,300,000.00	21 Feb 2020	Pakistan's Regional Reference Laboratory (RRL) for Polio has been upgraded with assistance from Japan through a grant worth US\$ 3.3 million. The support will boost Pakistan's capacity to swiftly track and respond to the polio virus. The assistance from the Government of Japan has helped procure essential molecular-biology equipment for the laboratory including genetic analysers, real time thermal cylinders, incubators and freezers. The grant has also been used to replace aging stocks of cold chain materials, reagents and other essential equipment.
11	Japan International Cooperation Agency (JICA)	Pasteur Institute in Ho Chi Minh City	Health	All Beneficiaries	Vietnam	Non-Financial: Others	8,900	21 Feb 2020	The Japan International Cooperation Agency (JICA) on February 21 presented the first package of biologicals worth 1 million JPY (over USD8,900) to the Pasteur Institute in Ho Chi Minh City in support of its response to the novel coronavirus (COVID-19) outbreak. The Pasteur Institute currently manages diseases control centres of 20 southern provinces and cities. It was assigned by the Ministry of Health to test suspected cases of COVID-19 infection in the south.
12	Microsoft, SBI Foundation	Youth living with disabilities	Employability	People with disabilities	India	Non-Financial: Others		24 Feb 2020	Microsoft announced a collaboration with the SBI Foundation to create opportunities for youth living with disabilities across India. Through this collaboration, Microsoft and the SBI Foundation will equip youth living with disabilities with the technology and training needed to better prepare them for integration into the Banking, Financial Services and Insurance (BFSI) workforce.
13	Save the Children Philippines, ARTipolo	deprived and marginalized children	Education	Children and youths	Philippines	Non-Financial: Fundraising or Revenue Strategy		21 Feb 2020	In celebration of the National Arts Month, Save the Children Philippines and ARTipolo stage a group art exhibit, entitled "heARTbeat" at Café Lupe Restaurant in Antipolo City. At least 52 artist-members of ARTipolo showcase their masterpieces at the group show that runs until April 17. Part of the proceeds of sold artworks will go to Save the Children Philippines. Save the Children Philippines is an independent organization that helps children gain access to quality education and health services. ARTipolo, meanwhile, is a group known for its passion in visual arts and programs that instill creativity among children.
14	SBI Foundation, SBI Life, Sesame Workshop India	The Anganwadis network, under the aegis of Integrated Child Development Services	Education	Children and youths	India	Non-Financial: Others		20 Feb 2020	SBI Life Insurance and SBI Foundation along with Sesame Workshop India is set to launch 'Learn, Play, Grow', an initiative to strengthen the quality of early education in 3,000 Anganwadis in Meghalaya benefiting over 60,000 children. Anganwadis are places where children are given exposure to early education not just on letters and numbers but also on life skills too. Through this initiative, the government will support measures to ensure quality of education is maintained not just in schools but also when kids are at home.

	Funders / Resource Providers	Social Purpose Organisations (Non-profits and Social Enterprises)	Cause	Beneficiary	Region	Type of Support	Amount US\$** (Financial Only)	Date of Deal	Notes
March 2020									
15	ABS-CBN Foundation	poor families	Health	People in poverty	Philippines	Non-Financial: Others		30 Mar 2020	Some 200,000 families all over Metro Manila received food and basic necessities after ABS-CBN turns over the first P100 million worth of food and products purchased using donations to the network's "Pantawid ng Pag-ibig" campaign to 16 local government units (LGU).
16	Asian Development Bank (ADB)	Aavas Financiers Limited	Affordable Housing	Women and girls	India	Financial: Debt	780,000.00	30 Mar 2020	The Asian Development Bank (ADB) has signed an agreement to lend up to \$60 million in Indian rupee equivalent to Aavas Financiers Limited, a housing finance company in India, to improve access to housing finance for lower-income borrowers in the country, particularly women. The loan is disbursed under ADB's Supporting Access to Housing Finance for Women in Lower-Income Groups and in Lagging States Project. Aavas will use the funds to provide housing finance to women in low-income communities either as primary borrowers or co-borrowers.
17	Asian Development Bank (ADB)	Government of Pakistan	Health	People with medical needs	Pakistan	Financial: Grants	2,500,000	30 Mar 2020	The Asian Development Bank (ADB) today approved a further \$2 million grant to support the Government of Pakistan's efforts to combat the coronavirus (COVID-19) pandemic in the country. The grant, financed from the Asia Pacific Disaster Response Fund, will help fund the immediate purchase of emergency medical supplies, personal protective equipment, diagnostic and laboratory supplies, and other equipment. It supplements an initial \$500,000 approved by ADB on 20 March, which is already being deployed to support Pakistan's procurement of emergency supplies through UNICEF. Taken together, this \$2.5 million in approved funding represents ADB's immediate response for Pakistan, with further support to follow.
18	Asian Development Bank (ADB)	Government of Indonesia	Health	People with medical needs	Indonesia	Financial: Grants	3,000,000.00	21 Mar 2020	The Asian Development Bank (ADB) today approved a \$3 million grant to support the Indonesian government's fight against the novel coronavirus (COVID-19) pandemic. The grant will help fund the immediate purchase of key medical equipment, such as ventilators and personal protective gear, including gloves, aprons, and masks, for health workers, to support the government's efforts to arrest the spread of the virus in the country. The grant will be financed by the Asia Pacific Disaster Response Fund.
19	Asian Development Bank (ADB)	Government of the Philippines	Health	People with medical needs	Philippines	Financial: Grants	3,000,000.00	14 Mar 2020	The Asian Development Bank (ADB) has approved a \$3 million grant to support the Philippine government's response to the novel coronavirus (COVID-19) pandemic, including the purchase of emergency medical supplies and the delivery of effective health care services. The assistance, incorporating ADB's most flexible, expeditious procurement approaches, allows the government to purchase diagnostic reagents and equipment, materials for makeshift hospitals, and personal protection supplies for health workers managing severe COVID-19 cases, among others.
20	Asian Development Bank (ADB)	Government of Sri Lanka	Health	People with medical needs	Sri Lanka	Financial: Grants	600,000	13 Mar 2020	The Asian Development Bank (ADB) has allocated a \$600,000 grant from the Health System Enhancement Project to the Government of Sri Lanka to finance preventive and response efforts to fight a potential novel coronavirus (COVID-19) outbreak in the country. The grant will fund disease surveillance as well as the provision of medical supplies and equipment for the Infectious Diseases Hospital in Mulleriyawa and 17 hospitals identified by the Ministry of Health throughout the island for quarantine purposes. In addition, personal protective equipment and other laboratory equipment will be supplied to the Medical Research Institute. The grant will also support the renovation and refurbishment of the Port Health Office and isolation rooms at both the Colombo and Trincomalee ports of entry, as well as the renovation of the current isolation facilities of the Epidemiology Unit of the Infectious Diseases Hospital. In addition, laboratory facilities and equipment to test high-risk samples will be funded under the medium-term plan of the government.

April 2020									
41	Asian Development Bank (ADB)	Philippine Disaster Resilience Foundation (PDRF)	Nutrition	People in poverty	Philippines	Financial: Grants	5,000,000	7 Apr 2020	The Asian Development Bank committed \$5 million or around P250 million to PDRF. The amount will be used to distribute food packs to communities in Rizal, Bulacan, Cavite, and Laguna where the use of gift vouchers is viable.
42	Asian Development Bank (ADB)	Department of Health (DOH), Philippine government	Health	People with medical needs	Philippines	Non-Financial: Others		22 Apr 2020	A set of laboratory equipment with 45,000 test kits funded by Asian Development Bank (ADB) and developed by Beijing Genomics Institute (BGI) in China, arrived at Clark International Airport. This \$2.5 million worth laboratory apparatus will be used to detect and test the presence of the Covid-19 virus. Aside from this, it will also be used to support medical-related researches and training in the future.
43	Asian Development Bank (ADB)	Government of Pakistan	Health	People with medical needs	Pakistan	Financial: Debt	50,000,000	9 Apr 2020	The Asian Development Bank (ADB) has repurposed \$50 million from Pakistan's National Disaster Risk Management Fund (NDRMF) to support the Government of Pakistan's preventive and response efforts to fight the outbreak of the novel coronavirus disease (COVID-19) in the country. The funds, which form part of ADB's series of support for Pakistan's fight against COVID-19, will help to procure medical equipment and supplies to strengthen hospitals, diagnostic laboratories, isolation units, and other medical facilities in the country. The funds include the reallocation of \$30 million of previously approved but unutilized resources from ADB to NDRMF. Following a request for emergency support from the Government of Pakistan, ADB swiftly processed a change in scope in its NDRMF project, enabling the repurposing and immediate use of these resources in the fight against COVID-19. In addition, NDRMF has provided \$20 million using capital gains from its endowment fund financed by ADB to support the government's COVID-19 response. These funds complement the financing approved on 2 April by the World Bank under its Pandemic Response Effectiveness Project.
44	Asian Development Bank (ADB)	Government of the Philippines	Governance	People in poverty	Philippines	Financial: Grants	5,000,000	1 Apr 2020	The Asian Development Bank (ADB) has launched a \$5 million project to help the Philippine government deliver critical food supplies to up to 55,000 vulnerable households in Metro Manila and neighboring areas, which are under enhanced community quarantine to contain the spread of COVID-19. ADB's \$5 million grant will complement initiatives of the government and the private sector. Through collaboration with philanthropic, private entities, ADB aims to attract more contributions to support the expansion of the program, so more vulnerable households can be supported and for longer periods of time.
