

# Accelerating Upskilling & Youth Employment in Southeast Asia

Apply now to partner with a leading Swiss Foundation to scale your innovative youth employment solution

## PARTNERING FOR JOBS DEVELOPMENT

In collaboration with WISE Philanthropy Advisors, AVPN will work towards **identifying a suitable pipeline of Non-Profit Organisations** that are active in **upskilling and youth employment** to partner with a Swiss Foundation specialised in youth employment.

Participating markets:

**INDONESIA**  
**THAILAND**

## THIS PROGRAMME WILL TARGET ORGANISATIONS WHO ARE:

Increasing access to **affordable and quality skills development**, including technical and vocational skills, for **employment and decent jobs**

Increasing the number of **disadvantaged youths** in vulnerable communities to achieve **full and productive employment**

Demonstrating **high potential for sustainable scaling** with a proven and successful track record based on initial pilot models

Providing **low-cost, scalable models** that provide an **end-to-end youth employment support**, from job training to long-term job placement

### ELIGIBILITY CRITERIA

- ✓ Registered Non-Profit Organisation  
*NB: applicants may be registered outside of the target countries as long as operations and use of grant is applied in those countries.*
- ✓ Incorporated for at least 3 years
- ✓ Cleared from all global sanctions lists or blacklisted by any UN or international agency
