DEAL SHARE

Pipeline of Deals

Identify a strong pipeline of impact organisations that fit capital providers' mandate through landscape scans, competitions and grant applications.

Pipeline of Resources

Leverage funder's expertise to deliver non-financial resources to help impact organisations become sustainable, and/or to scale the solutions and impact of for-profits and not-for-profits.

Collaboration

Foster multi-stakeholder collaboration around social causes and markets through a range of platforms, from workshops and insights-sharing discussions to solution showcases catering to different asset owners.

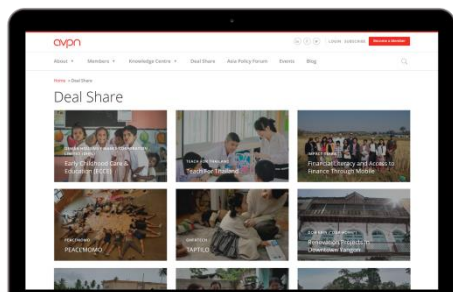

DEAL SHARE PLATFORM

Markets

Learn more about Deal Share and how it can increase the pipeline of capital to SPOs, check out this new video | <http://bit.ly/DealShareVideo>

DEAL SHARE LIVE (DSL)

DSL engages members through event discussions, impact trips, and mentorship. These avenues encourage members to exchange capacity building knowledge, evaluate funding opportunities, and understand the landscape to deploy capital more effectively.

Social Enterprise Development Toolkit

We are happy to launch the pilot Social Enterprise Development Toolkit - avpn.asia/se-toolkit. Find out how you can utilise the toolkit.

Visit the new Deal Share page for more information on how Deal Share works and the different stakeholders we work with avpn.asia/deal-share-platform

How Do You Get Involved:
