

AVPN Expert Collective

Purpose & Objective

AVPN is building a collaborative community of social investment experts consisting of academics, practitioners, technical experts, impact investors, government representatives, policymakers and social entrepreneurs that share a collective vision to inspire large-scale transformative change. The intention is to provide an avenue for the expert collective to channel the breadth & depth of their skills towards programmes that serve to benefit the impact ecosystem.

Engagement Matrix

Note: Each role has a range of time commitments, and will depend on the needs of the programme's deliverables. Information on the different roles are explained below.

Engagement Matrix: What does it mean to take on specific roles?

Roles	What does it mean?
Mentor / Advisor	<ul style="list-style-type: none"> Put into practice your technical skills in supporting the professional & organisational growth of social entrepreneurs in the areas of impact management / measurement, data analysis, operational / strategic excellence, legal and more. Assume the role of an educator to share sector insights, field experience and knowledge with those eager to learn. Identify opportunities to connect nascent sector players with your vast networks while being part of an enabling environment of insights, knowledge and network exchange

Judge	<ul style="list-style-type: none"> • Sit on a panel of judges that holds pivotal roles in deciding the winners of pitching competitions / impact challenges. • Be open to share constructive feedback and unbiased opinions to participants.
Reviewer	<ul style="list-style-type: none"> • As a domain-expert, take part in the review process of grant proposals and applications and contribute your evaluation towards the grant-making process. • Gain an overview of funders' priorities, grant landscape and engage in discussions and deliberations with other sector experts and exchange viewpoints
Moderator / Facilitator / Trainer	<ul style="list-style-type: none"> • Lead an eager community of social entrepreneurs and impact practitioners through structured engagements • Moderate and facilitate learning sessions, focus group discussions, breakout segments, panel chats and more • Assume the role of a coach at training sessions for learners of the impact community
